## On heat

**M**y girlfriend is desperate to be in *Escort*, although not quite brave enough to show her face. Not this time anyway.

We recently went for a walk in the country. The sun was out and it was like Sandra was on heat.

Anyway, we sat down and she told me what she'd done the previous night when I'd been away.

She described how she'd been lying naked on the sofa with one leg on the floor and the other over the back, and

how she'd fingered her very juicy pussy and then dildooed her arse with a vibrator.

I was really turned on and took her knickers off. I lapped furiously at her cunt while she sucked my cock for all it was worth.

I could tell she was getting close because it

spunking deep into her, causing her to cum violently as well.

I know she is keen to experiment and wants to taste a woman for herself, as I've told her how wonderful it is.

She also wants us to be watched while we fuck. What a kinky thing she is.

*M., Gloucs.*

It was all over my chin and mouth – the taste was delicious. Then she just grabbed me and rolled me round, begging me to get inside her.

She wanted fucking really badly and I was happy to oblige. It wasn't long before I was

## Hen don't

**I** recently went on a hen night with a load of my friends. My best mate Jane was the unlucky one getting married, and we gave her an unforgettable send off.

In town we terrorised all the pubs. There were fifteen of us all in one big group, dressed up like slappers and acting like them too.

Some of the girls were flirting outrageously. I saw Jane in the corner with her tongue down some bloke's throat and her hand rubbing his cock.

By the time we hit the club, we were bladdered and acting filthy. I was getting fingered at the bar while sipping on cocktails.

Two of the other girls were actually getting fucked on one of the sofas in the corner, and

Jane was dancing in between two men on the dance floor. One had his hands up her top and the other had his up her skirt.

When the club booted out, after a great night, four of us went back to my place. There was me, Jane and two other friends Claire and Donna.

When we got home we got the wine out and filled each other in on the night's filthy goings on. Before long, Claire and Donna slipped out into the kitchen.

When I went in to fetch a drink I found Claire with her top lifted up and Donna sucking on her ripe nipples. I told them if there was going to be any of that going on, Jane and me wanted to play too.

We all went upstairs, feeling randy as fuck. I had a great view up Jane's skirt from behind. I could see her white thong between her peachy arse cheeks, and I couldn't wait to get between them.

We got onto the bed and immediately got into a couple of steamy 69s.

I lifted Jane's skirt and peeled her thong to one side, revealing her soaking gash. I buried my face in it, tonguing her out and enjoying her sweet taste.

## We all sucked her sloppy slit and frigged her clit

We sucked her pussy and frigged her clit. We sucked and bit her nipples, and we kissed and licked her all over.

Then Donna straddled her and went to work rubbing her clit while I sat on her face and made her eat my cunt. Claire, meanwhile, was fingering Donna and Jane in both

I could hear Donna and Claire moaning like crazy as Jane licked my clit, and made me cum.

Then we decided to give Jane something to remember on her last night of freedom,

so we lay her down in the middle of the bed. She looked good enough to eat, naked except for her studded leather bra and strappy heels.

All three of us then began pleasuring Jane in every way.

It was a great night of lez-zie sex, and one Jane won't be forgetting in a hurry. Now we're begging her to let her horny husband join us!

Guys – want to fuck like a porn star? Adam Glasser, better known as Seymore Butts, puts his twat tally at 600 so he knows what he's talking about. It's not just the normal how-to-lick-pussy crap either – Seymore gives you inside tips on fisting, threesomes and fucking moves like the merry-go-round, the beat box and the Ay Popi. Mixed up with riotous anecdotes from his youth/porn days – the one about anal sex in a Taco Bell toilet had me cringing with recognition!

# REAL WIFE SEX

Who knows what goes on behind locked doors?

Maid Joanne, that's who...

Joanne & Zara, Bedford

I've been working as a chamber maid in a small suburban hotel for around six months. The work can be heavy and messy at times but I work less hours than the waitresses or kitchen staff. Like all jobs, really, you just have to take the bad with the good, and although I hate the boring routine of stripping beds and picking up damp towels, there are sometimes little oases of pleasure that make it all seem worthwhile.

Recently there was this fit businessman called Mark staying on my floor. On the third evening of his stay, Mark called down to Housekeeping to ask them to send him more towels.

There was no reply when I knocked at his door, so I just assumed he'd gone down to the bar or something and used my pass key to let myself in. I realised then that he was in the shower, because I could hear the spray and see the

steam coming out of the open bathroom door. A wave of excitement flowed through me as I twigged that this was my opportunity to get a proper look at Mark's body.

Without hesitating, I made my way to the bathroom. I was barely inside the steam-filled room when Mark caught me in his arms and pulled me into him. He was naked, of course, and his body felt rock hard and wet. I was so stunned that for a minute I didn't say a word,

## SURBU SEX AD

and before I could say a thing he was kissing me hard and groping me through my uniform.

It was damp from where he had pressed against me and

within seconds he had unzipped it and sent it tumbling to a heap on the floor. Mark was impressed when he saw my sexy underwear, and teased me about being a naughty little nymphomaniac. Taking me by the waist, he bent me over the end of the bed and began to fondle my arse through my black satin panties.

My pussy dampened as he stroked it through the thin gusset, teasing me until I began to move my hips back and forth

against his fingers. I was well ready to take his cock, and begged him to fuck me. Laughing, he stood up and helped me out of my panties and unsnapped my bra, allowing it to drop onto the bed covers.

My pussy was so wet that his cock glided inside with one swift thrust. I rose on tiptoes as his full length filled my hot pussy, making my cunt muscles spasm and constrict around his thick pole. My eyes closed as my pussy throbbed and Mark grasped my hips, and as my whole

body jerked and shook with the sheer intensity of my orgasm. When I finally calmed down, Mark pulled his cock out. I was still sobbing for breath when he turned me around and gently pushed me to my knees. His big wet cock was bobbing in my face, and, instinctively, I opened

body tingled, Mark set to, fucking me with long slow strokes.

With my nipples clamped firmly between his thumbs and forefingers, Mark pulled gently on my boobs each time his cock rammed all the way inside me. I was moaning and slamming my crotch back into his cock when he tweaked my nipples once and held them tight, making me come long and hard.

My legs trembled as Mark held me tight, stopping me from falling as my

mouth and sucked on his succulent penis.

Lovingly I licked his bell-end, running the tip of my tongue around the ridge. Mark held my hair back from my face so he could watch, and I looked up into his eyes trying to show him how much I was enjoying taking him in my mouth.

I deep-throated his big cock, swallowing as much of his bell-end as I could without gagging. Mark quickened his stroke, and soon he was pumping my

mouth with his pulsing rod. His grip tightened on my hair and I felt him pull back as he plunged his cock inside my mouth one final time. I gulped as I felt him blasting his thick cream against the back of my throat, and swallowed eagerly, licking my lips to make sure that I had caught every last drop.

I was sad to see him go! Last Wednesday afternoon I got a call from the front desk to take some extra pillows to room 13. I picked them up from the

grass banks.

We parked up by the sea edge and I got out, had a quick look around and dropped my knickers. I bent over the car bonnet and Simon positioned himself behind me.

He lifted my skirt and wet his cock because my pussy

A few weeks ago my husband Simon and I decided that for my 40th birthday we would have sex outside, something I'd always been keen on in the past.

We went to the local for a few drinks, then got in the car to find a good spot. Eventually we found a park filled with sand dunes and

was still dry. It was very exciting and I remember wondering why we hadn't done this before.

Simon was pumping harder and harder and enjoying every minute. He was hornier than ever and dragged me over to the foot of a nearby grass hill and lay me down.

I was only wearing stock-

ings and suspenders and I opened my legs to give Simon a good view as he moved on top of me.

Simon was naked too as he began to fuck me hard. His cock was sliding in and out,

to move the car and would be back soon. With that, he legged it off and I lay on my back and began masturbating.

Aware that I was being watched, I took it slow and

## It was the stranger, not my husband, who fucked me

rubbing against my clit and getting me very excited.

I got so carried away that I did not realise we were being watched. At first I could not believe what I saw – over Simon's shoulder was a man dressed in uniform watching us. I think it was some kind of park ranger.

As I looked up he ducked down and obviously thought he'd gone undetected. Strange as it sounds, I should have told Simon but I carried on because it was so exciting.

Now it was different. I was watching him watching us, and I was opening my legs to give him the perfect view. I knew he was wanking, and this made it better.

All the time Simon was fucking me, unaware we had an audience. I made him lie on his back as I bent down on all fours sucking him off, my pussy and arse towards the stranger.

Simon was so turned on that his cock swelled up and he shot his load into my mouth. When I'd swallowed up, he noticed the tide was coming in fast.

He told me he was going

enjoyed it all the more. I noticed the bloke was still there, edging closer to me the more I writhed and moaned.

myself with my arse in the air. I was hoping the guy would be wanking, but never imagined what was about to happen.

I was on all fours when I felt someone approaching. "Go on Simon, fuck me!" I said. My hands were moved and replaced with a hard cock. "That's it!" I said.

He began to fuck me even harder than before. He hung on to my suspenders as he shafted me. It was fast and exciting and like nothing Simon had done before.

He felt bigger and harder than before, and then it hit me. A weird naughty feeling came over me as I realised the stranger was fucking me. It was half shock and half ecstasy!

As he began fucking me faster and faster, it felt fantastic and I knew I was going to cum. I couldn't believe it – I was cumming over a stranger's cock.

He clung on for dear life before spurting his hot cum inside me. I felt him pull out, cum dripping down my thighs.

I stood up to see Simon running over the hill. He told me he'd seen someone in uniform running across the hill. "You must have scared him off!" he said.

I hope the stranger will now read this and contact me.

So my fortieth turned out to be the start of something big. My love of risky sex and stranger fucking is now very real!

## Peep hole

I desperately wanted my sexy male friend to watch me get banged by hubby. So my friend told me to rent a motel room and he would rent the next room. He told me it was nothing to drill a peephole through the wall. I rented the room and told my husband I wanted to rent a room to pretend to be his prostitute for the night. Sure enough he got very excited. Then I called my husband and told him I was the escort he had ordered and I was

waiting for him in room 220 at this motel.

Meanwhile I called room 221 to let my friend know my man was on his way. Five minutes later my husband knocked at the door.

I asked him what he liked and told him my prices. He threw some money on the bed and told me to get started, he had to be back with his wife soon.

I started moaning and my legs were shaking. I left a huge puddle on the bed and my husband's cock drenched. I got on all fours and faced the peephole. My husband

I told my husband to cum all over my arse. He told me I was the whore and should take it in my mouth.

I had never heard my husband talk like that before and it turned me on. I got on the floor on my knees and sucked him off.

I felt his body tense and his warm cum hit the back of my throat. I reminded him through spunky lips that he had to get home to his wife.

He left and I called my friend. He said it was the horniest thing he had ever seen.

## My juices gushed and drenched his big cock

I bent over to take off my skirt, flashing my arse at the peephole. Then I showed it to my husband and gave the peephole a wink.

I started kissing my husband and put my hand on his cock. He was hard so he told me to hop on. Well, he was the customer.

I started riding him, my tits bouncing around like crazy. My friend loves big tits so I guessed he was whacking off like crazy now.

Then my husband put my legs on his shoulders, stuck his cock in and right away he hit my G-spot.

...where heaven is.

**SAMANTHA**

This is the first time Samantha has appeared in the magazine but you wouldn't know it, the pzazz with which she stripped off for us. "Oh, I've been taking my clothes off for years. I earn a bit of money on the side letting amateur photographers take pics of me. They're ever so kinky – I get to wear all sorts of uniforms and stick all sorts of objects up me. They get very excited and so do I. Sometimes I just can't help myself and invite them to put the camera down and do some naked posing with me!"

# I Made CONTACT

These are just the latest randy readers to meet and make it big through the pages of Escort Contact.

**JODIE & SUE, TYNE & WEAR.**  
41 years old. Caught On Camera, p. 28. "We're up for almost anything and would love to meet up with others for kinky sex!"

When Jodie demanded kinky sex in vol 29 no 8 she got more than she bargained for!

## Dear Escort,

It's been a while since my slut of a wife has appeared in our favourite mag. We've been up to loads of dirty stuff but not had anything new to show you till now!

Jodie has always fancied a gangbang but with her fans all over the country it was hard to put one together.

Last week we got in contact with a guy Sean who holds regular parties. He said he would have a gangbang at his house – he would invite enough blokes so how many did Jodie want? Eight, she said quickly.

Two days later I got a call saying it was all on. I told Jodie and asked her what she thought. She answered by opening her legs on the couch and furiously frigging her clit before agreeing to Sean's plans on the phone!

Friday came. I shaved my wife's cunt and helped her get into her stockings and peephole underwear set.

When we got to Sean's there were already five guys there. An hour later four more turned up – with Sean

that made ten. "You up for this?" I asked her.

"Let's find out," she said and dropped her coat to great cheers from the lads.

We led her through to the bedroom and laid her on the bed. She dildoad herself while the lads got naked.

For the next two hours my little slag was put through her paces, the boys never letting up as her mouth, cunt and arse were abused continuously and she howled in ecstasy.

I had never seen her like this before - barking orders at ten strangers like "Next one!" and "My arse is empty, sort it out you filthy fuckers!"

At one stage she was sat on Sean's cock with Paul, a 20-year-old, parked up her arse, me in her mouth while two guys sucked her nipples.

She wanked and squirted her cum everywhere.

She must have had every guy in every hole before she shouted that she wanted to be covered from head to toe with spunk.

Ten randy bastards tugged their cocks to give her her wishes. Slowly but surely ten cocks shot their thick wads of spunk over her tits, face, glasses, belly, thighs and cunt.

Nothing was left uncovered by us horny men and this made her final orgasm all the more powerful.

All the lads crashed, saying what a horny wife I had. But Sean wasn't finished.

He brought in his wife who came in to lick and suck every last drop of goo off my wife's body.

# REAL WIFE SEX

Joanne's story continued from page 19

linen closet and took them to the room.

I knocked on the door and waited for a response. When no one answered, I opened the door and went inside, intending to leave the pillows on the bed. Inside the room I was stopped in my tracks by the sight of a gorgeous young bird pleasuring herself with a pink vibrating dildo!

I watched in amazement as she plunged the vibrator deep between her shiny pussy lips, then arched her back as she came. My whole body shook with arousal at what I saw. I suppose that until that moment I had not consciously realised I had lesbian tendencies. But what I was looking at was really turning me on, and I could feel a damp patch forming in my panty gusset.

A surge of hope filled me as I thought that she must have wanted someone to see her and perhaps even to join her.

I wasn't wrong, and when she had wrung the last shudder of pleasure from her pussy she sat up and smiled at me, patting the unoccupied side of the mattress in invitation.

I could feel my legs quivering as my own pussy tightened with excitement, and with a sigh I put the pillows on the bed and I sat beside her. She told me

her name was Zara, and then she asked me if I liked what I had seen. When I nodded shyly, she smiled, and, taking my hand, she licked my palm before pulling my fingers towards her pussy.

She had shaved her bush and her pussy looked and felt beautifully smooth. Tentatively, I touched her dark silky folds, rubbing my fingertips through her pussy juice and spreading it over her glossy labia. It was the first time I had ever touched another woman's pussy and it really, really excited me.

"Are you wet too?" Zara whispered, running her hand over my breasts. I shook with delight as I felt her tease my nipples through the fabric of my white work blouse. Her hands were beautifully manicured with long varnished red nails and I squirmed as she touched me intimately while helping me out of my uniform.

Pushing me onto my back she stripped me of my underwear and began to tongue my nipples. Her tongue was long and dark in stark contrast to my creamy white breasts.

Soon I was panting and begging her to make me cum with her vibrator.

"You're not ready for that yet, girl,"

## SURBURBAN SEX ADDICTS!

she whispered, moving down between my legs and spreading my labia. Her long tongue brushed the length of my labia, tormenting me wonderfully until my hips were bouncing on the bed in an effort to get some relief. Lifting her head, Zara pinched my clitoris, pushing it from between its protective folds. My pussy spasmed, jerking in her

hands as my juices sprinkled those lovely fingers.

I was still gasping when she sat up, and, picking up her vibrator, held it to my pussy. My cunt clenched, the vibrations causing all the muscles to contract involuntarily. Pushing it between my cum-soaked pussy lips, Zara began to fuck me with her sex toy. I had never taken a cock that size inside me before and I was surprised at the ease with which the big rubber dildo slid in and out of my pussy.

My hips jerked and ground down on it as I became increasingly more aroused by the plunging rubber cock. Then, without warning me, Zara pushed the full length inside my pussy and I climaxed again, bucking on the bed like a wild animal as my pussy gripped around the lurid pink sex toy. I was even sadder to see this girl go! 🍆

Beer and girls is probably the best combination in the world. Girls and tea somehow just doesn't cut it. Which brings us to buxom barmaid Val, someone we wouldn't mind having a lock-in with. And it's not just pints she pulls. She'll give your cock a frothy head as well. "Lugging barrels round in the cellar means I'm pretty strong," confesses the slutty shift worker. "I give a wicked hand job – some people say the best ever. I go really fast and have this little trick where I stick my finger up your bottom so you orgasm really hard. Then I'll lick it all up!"

## Sweet shock

**M**y bird Laura is a right goer. Last week she came back the morning after a night out, and she had another woman on her arm.

I hadn't been up long and I was beginning to wonder where she had been all night. But when she came through the door demanding a three-some, I soon woke up.

She had brought home a busty, bubbly curly-haired blonde called Nikki. They immediately jumped onto the bed and started kissing and cuddling.

Laura peeled off Nikki's clothes until she was lying on the bed giggling in only her stockings.

She had a perfectly smooth, pink pussy and suckable

nipples. I couldn't wait to get onto her, to be honest. However, I took a few more photos while Laura stripped.

Then they started 69ing each other on the bed. My

cock was fucking rock hard as I had a perfect view of Laura slurping out Nikki's tight little pussy.

My bird had her tongue up another girl's cunt, so

I jumped onto the bed to join in.

I offered Laura my pulsing cock. She took it in her mouth while her

new friend licked her out. It was a fantastic sight – my cock sliding in and out of my bird's mouth while another bird feasted on her minge.

I decided to set the cam-

era to timer so I would have some photos of the occasion to show my mates. I set it up and asked the girls to both suck my cock at once.

I got into position and they came at me from either side, fighting like hungry chicks to get a mouthful of my cock and balls. If you are reading this lads – are you jealous or what?

After that I did all the things a bloke dreams about doing – I was like a kid in a sweet shop. First I fucked Laura from behind, hard and fast,

## French fancy

**M**y name is Karen and I am 22 years old. My 24-year-old boyfriend Paul decided to treat me to a weekend away.

I knew it would be a case of non-stop sex!

Our flight to Paris had quite a few empty seats so as soon as we were airborne we moved to a secluded row of seats towards the back of the

plane.

Not long after take-off we began to get each other horny and even gave one of the air stewardesses a thrill. She came along to see if we wanted a drink to find Paul with his hands inside my wet knickers and me close to an orgasm!

We arrived at the hotel a couple of hours later, both gagging for it. Our room overlooked a huge park, so we dumped our bags down and decided to explore.

We both love outdoor sex and thought this would be an ideal opportunity.

We found ourselves a bench in a peaceful corner overlooking a pond. As we kissed I felt Paul's hand moving up my thigh and I opened my legs for him.

A low moan escaped from my lips as I felt his fingertips dance over my hard, pink clitoris. I reached forward and pulled his erect cock out of his jeans.

My creamy juices were trickling out of my gaping cunt and down my crack as Paul fingered

me while I wanked his cock off.

"I need a fuck!" I told him as I felt an orgasm building up inside me. Before he could answer I impaled myself on his hard-on and my orgasm was upon me almost immediately.

I'm usually noisy when I cum but this time I bit my lip because I knew there were people nearby.

After I came a group of teenagers walked past, but as I had a short skirt on it just looked like

## My inhibitions went out the window...

I was sitting on Paul's lap. Once the coast was clear we got back to it.

I writhed around on Paul's cock and he eased me forward so he could finger my

arsehole. Then he whispered to me that we were being watched.

I looked up to see a woman 20 metres away on a bridge over the pond.

while she licked out Nikki's sweet cunt.

Then I swapped them round, doing Nikki while she licked out my bird. After that I got Laura to ride my cock while Nikki sat on my face and snogged her.

The best thing I did was fucking Nikki up the arse

while she rammed a dildo up my bird. I thought I'd died and gone to heaven, but I've got photos to prove it really happened.

Laura reckons I owe her one now, so she wants a well-hung bloke, or maybe two, to join us for a big fuck on video.

As she caught my eye she slipped a hand between her tanned thighs and started stroking her pussy lips. She had a short skirt on and no knickers.

My inhibitions went out of the window as I watched the woman openly masturbating, so I lifted up the hem of my skirt and started tickling my own clit.

Knowing what I wanted, Paul withdrew his cock and rammed it up my sensitive arsehole. I gasped and slid a couple of fingers into my

warm cunt as he fucked me.

I could clearly see the droplets of juice clinging to the woman's pubes as she used both hands on herself, one fingering and one clitoral rubbing.

I climaxed again, my cunt pulsing and forcing Paul to shoot his creamy spunk deep into my bumhole. By the time we had disentangled ourselves our French ladyfriend had gone.

We never got the chance to introduce ourselves!

## Twenty-thirst party

These are a few pictures of my girlfriend I took just a few hours before the shag of our lives.

I decided to invite a few friends around to celebrate Hayley's 21st birthday. Peter, Jack and Davey came round at about 7 o'clock.

Hayley poured them some drinks wearing a revealing skimpy black dress. The bulge in my pants got bigger just looking at my mates eyeing her up.

She put some music on and started a slow strip, playing with herself and caressing each one of us in turn.

Within minutes she was down on her knees with Jack's fat cock stuffed in her mouth. Peter and Davey waited eagerly for their turn to get sucked off, their cocks

hand job off her.

Davey then stuck his cock in her cunt and began pounding away.

The sight of her getting fucked by my mate was too

pulsing and trembling with excitement.

I was wanking my cock watching Hayley suck three big veiny dicks in turn. I moved over and lifted Hayley

much, and I came in her mouth.

After she'd guzzled my seed, she turned onto all fours. Paul shoved his prick into her gob and held her head tightly as

he thrust into her mouth.

Jack had greased his pole and was about to enter Hayley's cunt. Suddenly she stopped sucking and said, "Fuck me up the arse, you bastard!"

That was the first time my girlfriend had had anal sex, or so I thought.

It only took me a couple of minutes to get hard again after her firm instructions and I whacked my big stiff member up her tight little brown hole, the dirty

onto the couch. She lay on her back with her legs wide open.

I fed my cock into her mouth while Davey licked furiously at her cunt.

John and Paul were sucking Hayley's tits and getting a

cow!

To finish the evening off, she wanked in front of us and we tossed over her face and tits.

Needless to say, I can't wait for her 22nd birthday, and nor can my mates!
